Summary of Bill:

A Washington pharmacy may honor prescriptions for legend drugs or controlled substances written by an out-of-state medical assistant or osteopathic medical assistant. With respect to controlled substances, the out-of-state medical assistant or osteopathic medical assistant must be specifically approved to provide controlled substances by his or her state's medical quality assurance commission (or equivalent) and his or her supervising physician.

Appropriation: None.

Fiscal Note: Available for original bill.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) Border communities face unique challenges. This bill allows Washington residents who receive health care in other states to have their prescriptions filled at home and also allows parity with other out-of-state prescribers.

(Opposed) None.

Persons Testifying: Senator Cleveland, prime sponsor.

Persons Signed In To Testify But Not Testifying: None.
